You can find the registration form here: http://www.audioscribe.com/docs/2016_Registration_Seminars.pdf which contains the agenda along with pricing at We typically work 13 hours during our seminars which you can receive CE credits for.

If you would like to attend, please complete and return the [Registration Form](#) to michelle@audioscribe.com.

4. AudioScribe is changing our support policy. As of June 1, 2016 email, forum, text, or Facebook messaging support is no longer available free of charge to customers without a valid support contract. Customers who are not current will be removed from the customer only portions of the forum. We are updating our Terms and Conditions to reflect these changes.

5. Any customers who are using versions prior to SpeechCAT 8.5 will no longer have the option to reinstall and activate that software on new computers. Those versions are not compatible with the latest operating systems and the registration/activation component is not available. You will be required to upgrade to the latest version of the software if you move to another computer.

6. We are in the beginning stages of designing a completely new online presence via a new website, which will include, ELearning, Forum and training videos. We are also hoping to have an online store for your needs. Let us know if there is anything you would like to see.

Happy Reporting!

Respectfully,

Liz Duhon
